**EXPLANATORY STATEMENT WITH RESPECT TO THE DEBTORS' SCHEDULES  
OF ASSETS AND LIABILITIES AND STATEMENT OF FINANCIAL AFFAIRS**

Creative Hairdressers Inc. ("CHI") and Ratner Companies, L.C., ("Ratner Co") the above-captioned debtors and debtors in possession (collectively the "Debtors") have filed their respective Schedules of Assets and Liabilities (the "Schedules") and Statement of Financial Affairs (the "Statements") in the United States Bankruptcy Court for the District of Maryland, Greenbelt Division (the "Bankruptcy Court"). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of chapter 11 of title 11 of the United States Code (the "Bankruptcy Code") and Rule 1007 of the Federal Rules of Bankruptcy Procedure.

While the Debtors' management has made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances, based on information available at the time of preparation, subsequent information or discovery may result in material changes to these Schedules and Statements, and inadvertent errors, inaccuracies, or omissions may have occurred. Because the Schedules and Statements contain unaudited information, which is subject to further review, verification, and potential adjustment, there can be no assurance that these Schedules and Statements are complete.

The Debtors reserve all rights to dispute the amount, allowance, priority, treatment, contingent nature and/or secured or other status of any and all claims against the Debtors or to the estates referred to in the Statements or Schedules. The Debtors reserve the right to (a) amend and supplement the Schedules from time to time, and (b) assert any and all potential claims and causes of action of the Debtors' estates regardless of whether such claim or cause of action is identified in the Schedules. Any values presented are not and should not be deemed to be an admission, representation or waiver with respect to the actual value of any asset or amount of any liability or claim. The identification of an amount or value as "unknown" or as "unknown, if any" means such amount or value is not known to the Debtors and the Debtors reserve the right to assert, among other things, that such amount or value is \$0.00. The actual realizable value and/or fair market value of assets, liabilities and claims may differ significantly from the values presented. Listing a claim on (i) Schedule D as "secured," (ii) Schedule E/F as "priority" or as "unsecured nonpriority," or listing a contract or lease on Schedule G as "executory" or "unexpired," does not constitute an

admission of the legal rights or status of the claimant or counterparty, or a waiver of the Debtors' rights to object to, dispute, re-characterize or reclassify such claim, contract or lease. In addition, the Debtors reserve the right to add or delete contracts or leases to or from Schedule G, or to amend or supplement the contracts or leases set forth therein. These Schedules do not purport to present financial statements in accordance with Generally Accepted Accounting Principles, and the information contained therein has not been subjected to audit or review by any party on behalf of the Debtors.

In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. Although the Debtors have made commercially reasonable efforts to ensure the accuracy and completeness of the Schedules and Statements, subsequent information or discovery may result in material changes to the Schedules and Statements. As a result, inadvertent errors or omissions may exist. For the avoidance of doubt, the Debtors hereby reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate.

The Debtors and their agents, attorneys and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and will not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or re-categorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or re-categorized, except as required by applicable law. In no event will the Debtors or their agents, attorneys and/or financial advisors be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, and financial advisors are advised of the possibility of such damages.

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

This Explanatory Statement (the "Explanatory Statement") is incorporated by reference in, and comprise an integral part of the Schedules and Statements and should be referred to and considered in connection with any review of the Schedules and Statements.

#### **EXPLANATORY STATEMENT APPLICABLE TO SCHEDULES AND STATEMENTS**

**1. Description of Cases.** On April 23, 2020 (the "Petition Date"), the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their business and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On April 28, 2020, an order was entered directing procedural

consolidation and joint administration of these chapter 11 cases [Docket No. 86]. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. The information provided herein, except as otherwise noted, is reported as of the Petition Date.

**2 Basis of Presentation.** For financial reporting purposes, prior to the Petition Date, the Debtors prepared consolidated financial statements, although each filed its own income tax return. Combining the assets and liabilities set forth in the Schedules and Statements would result in amounts that may be different from financial information that would be or has been prepared on a consolidated basis under Generally Accepted Accounting Principles ("GAAP"). Substantially all revenue of the Debtors were derived from the business operations of CHI. As a result all disbursements for the Debtors have historically been made from one or more bank accounts maintained by and in the name of CHI. Thereafter, corresponding adjustments have been made on the respective ledgers and balance sheets of the Debtors to allocate those disbursements between the Debtors.<sup>1</sup> Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect, to the best of the Debtors' abilities, the assets and liabilities of each Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

**3 Reservations and Limitations.** While reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements from time to time as is necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors' rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere herein does not limit in any respect the general reservation of rights contained in this paragraph.

**4 Re-characterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, and designate the claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtors may have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' business. Accordingly, the Debtors reserve the right to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date, the cure amounts associated therewith, or whether they remain executory and unexpired after the Petition Date.

---

<sup>1</sup> For instance, payroll for all Salon Professionals has been treated as disbursements from CHI, whereas payroll for management and certain field supervisors has been treated as disbursements from Ratner Co. Similarly, certain legal and accounting expenses may have been recorded on the books of Ratner Co. even though the payments came from one or more CHI bank accounts.

5. **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as “unliquidated.”

6. **Wage Order.** Pursuant to an Order the Bankruptcy Court entered on April 28, 2020 [Dkt. No. 76], the Debtors were authorized, but not directed, to pay, among other things, certain Prepetition Employee Obligations in the aggregate approximate amount of \$3.1 million. The Debtors have paid and satisfied in full all of those Prepetition Employee Obligations. Accordingly, these liabilities are not listed in the Schedules and Statements.

7. **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor, landlord or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Debtors’ Schedules and Statements, and shall be enforceable by all parties, subject to any necessary Bankruptcy Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.

8. **Liabilities.** The Debtors have sought to allocate liabilities between the prepetition and post-Petition Date periods based on the information and research that was conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between prepetition and post-Petition Date periods may change. The Debtors reserve the right to amend the Schedules and Statements as they deem appropriate in this regard.

9. **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including without limitation, accrued salaries, employee benefit accruals and accrued accounts payable. The Debtors also have excluded rejection damage claims of counterparties to executory contracts and unexpired leases that may be rejected, to the extent such damage claims exist. In addition, certain immaterial assets and liabilities may have been excluded. All known pending lawsuits and administrative proceedings are listed in the Statements. The Debtors have also issued gift cards from time to time, although the names of the holders of gift cards are not obtained and not all gift cards are redeemed. Any liability for gift cards has been excluded from the Schedules.

10. **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in response to multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have determined to only list such assets, liabilities, and prepetition payments once.

11. **Fiscal Year.** Each Debtor’s fiscal year ends on or about September 30<sup>th</sup>.

12. **Insiders.** In the circumstance where the Schedules and Statements require information regarding “insiders,” the Debtors have included information with respect to such individuals pursuant to section 101(31) of the Bankruptcy Code during the relevant time periods. Such

individuals may no longer be consider an insider as the date of this Explanatory Statement. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed an admission of any fact, right, claim, or defense and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements has been included for informational purposes only and such information may not be used for: (1) the purposes of determining (a) control of the Debtors; (b) the extent to which any individual exercised management responsibilities or functions; (c) corporate decision-making authority over the Debtors; or (d) whether such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (2) any other purpose.

**13. Valuation.** The values ascribed to any assets in the Schedules represent either the Debtors best estimate of the value of such assets, or in some instances the net book value of assets. However, values may vary from net book value (or whatever value was ascribed) and such variance may be material. Accordingly, the Debtors reserve all of their rights to amend or adjust the value of each asset set forth herein. In addition, in some instances the amounts shown for assets or liabilities are identified as “unknown” or “undetermined,” and, thus, ultimate value of the assets or the amount of the liabilities may differ materially from those stated in the Schedules and Statements. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or may be listed with a zero-dollar value, as such assets have no net book value. Further some assets that GAAP may require to be carried on the books of the Debtors (*e.g.* marketable securities held by third party trustees to fund deferred compensation programs) are not reflected on the Schedules, nor are employees’ claims with respect to those securities. Further, certain Notes Receivable from shareholders are current entries carried on the books of the Debtors for tax treatment due to the Debtors S Corp election. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, nothing in the Schedules and Statements shall be, or shall be deemed to be, an admission that any Debtor was solvent or insolvent as of the Petition Date.

**14. Leases.** The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an amount outstanding as of the Petition Date, the amount has been included on the Schedules.

**15. Inventory.** Inventories consist primarily of hair care products for resale and for use in providing salon services. Inventories are stated at the lower of cost or net realizable value, with goods sold determined on a weighted average cost basis.

**16. Intercompany Claims.** As noted above, the Debtors prepared consolidated financial statements and from time to time allocated disbursements between them. As such the Debtors have not listed any inter-company claims in the Schedules.

**17. Intellectual Property Rights.** Exclusion of certain intellectual property shall not be

construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, the Debtors reserve all of their rights with respect to the legal status of any and all intellectual property rights.
